Marbella/Geneva

Work Experience

05/2014 - 05/2016

Geneva

StartUp - CEO

Atlas Bookers

Travelling website.

Tasks

I developed a website and made a contract with Hotels Combined. They provided me their search engine for hotels.comparison. I also took care of the SMO and SEO by building some strong relationships with my customers.

01/2016 - Present

Marbella

StartUp- CEO

Swift Games Development

Game Publisher Company for smartphones and tablets.

Tasks

Create, design and develop games for IOS and Android. I was marketing them with no budget. I was taking care of the ASO, SEO and SMO but also creating some strong campaigns on Facebook at cheap prices.

I was analyzing all the statistics of my platforms but also of the market.

mm/yyyy - mm/yyyy

Internship

Les Jardin Du Chateau

Property Development Company

Tasks

I was in charge of greeting the customers, ordering and delivering materials on the field. I had to work on the construction sites but also make reports of the apartments for sale/rent.

mm/yyyy - mm/yyyy

Internship

Globe Investments

Real Estate and Vintage Car Investment Company

Tasks

I was working on classic cars. Most of them Americans. I had to remove all the parts from the cars for A to Z in order to restore the cars.
